BRASHEARS TO HEAD AG CENSUS HERE

Bernard J. Brashears has been designated by the U.S. Census Bureau as crew leader for the test census of agriculture to be conducted starting November 18 among Adams County farmers. Brashears' appointment was announced today by Edgar L. Bryan of the Philadelphia Regional Office of the Census Bureau, an agency of the U.S. Department of Commerce.

The test census of farms in this county is being conducted to prepare for the nationwide census of farms in the United States in the fall of 1964. This year's test is being conducted in only 12 counties out of more than 3,000 in the nation.

Subjects for next year's census have been chosen by the Census Bureau with the help of an advisory committee which includes representatives of all the national farm organizations. One of the purposes of the local test will be to learn if questions are clear and understandable, and will produce accurate answers. Another purpose is to test the methods to be used for the 1964 census and the instructions and training to be given 24,000 enumerators in the fall of 1964.

Mr. Brashears was chosen crew leader after passing a Census Bureau test. He will supervise the training and work of approximately 14 local people who will be chosen by competitive examination to conduct the census of farms in this county starting November 18. A Census Bureau examination for local census enumerators will be held November 12, 1963, at Gettysburg, Pa.

Can't Confirm Finding Large Sum Of Money

The Gettysburg Times was unable today to confirm reports that "a large sum of money" was found on the battlefield Friday and turned over to a National Park Ranger by a New York resident.

State police from the Gettysburg substation referred The Times' query to the Park Service, Superintendent Kittridge A. Wing is on vacation and Ranger Superintendent John Rodgers was reported to be in Washington, D. C., today. Efforts to reach him by telephone were in vain. Nor was he available on Saturday.

The Times learned from a reliable source that the amount of money "found" on the battlefield is in excess of \$50,000.

The Times' informant said he learned that a New York resident came to Gettysburg several months ago and buried a large sum of money behind the Eternal Light Peace Memorial. Just why it is not known. Nor is it known whether the sum is "hot" money.

Last Friday, according to the informant, the New Yorker returned to Gettysburg, dug up the money and gave it to a National Park ranger.

State and borough police disclaim any knowledge of the cache.

The accident resulted from an overwind in the shaft cage winding mechanism at the Western Deep Levels Mine, one of the world's deepest, which started production early last year.

Four wire ropes, each 6,000 feet long, crashed to the bottom.

BAKER CASE IS HEADING LIST FOR PROBERS

WASHINGTON (AP) — Foreign aid, civil rights and the Robert G. Baker case have topped this week as Congress drags into its 11th month.

The major floor activity will be in the Senate, which expects to take all week or longer considering the annual bill authorizing the foreign aid program. The big fight will be over the Senate Foreign Relations Committee's restoration of about \$700 million cut from the bill by the House, which earlier approved a \$3.5 billion program.

Still to be acted on by both branches is a separate measure putting up the money to finance the air program.

Whether a civil rights bill will be passed this year may be determined Tuesday by the House Judiciary Committee. Before the committee is a far-reaching measure that goes beyond the rights program supported by the administration.

COMMITTEE BACKING

As of now it apparently has enough committee backing to be sent to the House floor despite warnings by some House leaders that it would be in jeopardy. The committee already has deferred a showdown vote several times in an effort to work out a compromise that might have a better chance to become law.

The Robert G. Baker case formally comes before the Senate rules committee Tuesday. The committee has called a closed session to hear Sen. John J. Williams, R-Del., who demanded an investigation after public disclosures of Baker's business and financial activities.

Baker, a protégé of Vice President Lyndon B. Johnson, resigned as secretary of the Senate Democratic majority Oct. 7 shortly after his outside business interests became front page news.

move from that township.

The Littlestown National Bank was appointed guardian of Angelita Smith Witter, New Oxford, a minor, who is to receive a sum in settlement of an action in trespass.

Saturday the court approved an amendment in the answer filed by the Bankers Mutual Insurance Co. of Adams County in the assumpsit suit brought against it for Kenneth E. Spotts, a minor, by Roland E. Spotts, his guardian ad litem. The Spotts reside in Oregon. The court also approved hearing the assumpsit action without a jury on December 9. Spotts is seeking \$6,536 which he alleges an Oregon court awarded him in an action against the Adams County concern. The county concern alleges it owes Spotts nothing.

UNUSUAL CIRCUMSTANCES

While Spotts had mailed a premium and ordered a policy on his motor scooter in September, 1960, the policy did not include "uninsured motorist protection," according to the amended complaint, and Spotts did not pay a premium for that coverage. August 29, 1961, Spotts had an accident in Oregon, according to the amended complaint, with an uninsured motorist. Oregon law prohibited Bankers Mutual from defending itself, the local concern claims. It also claims that the policy held any matter needing arbitration was to go before the American Arbitration Association. Spotts started such action, then dropped the action.

ACTION ON DIVORCES

The court appointed Atty. John A. MacPhail master in the divorce action of Elizabeth (Hilly) Stull against George H. Stull.

A rule was handed down in the divorce action of James E. Ketterman Jr. against Regina A. (Musselman) Ketterman giving Mrs. Ketterman until November 12 to show cause why the names of two correspondents should not be removed from the suit against her and the name of another correspondent inserted in the complaint instead.

3RD SET OF TWINS

PITTSBURGH (AP)—It was three in a row for Mrs. Charles Haney of nearby Wilmerding. She gave birth Sunday to her third consecutive set of twins, a boy and a girl, in West Penn Hospital.

She also has a boy and girl twins, 4, and boys, 8. Another girl, 12, rounds out the family.

REFORMATION SERVICE HELD HERE SUNDAY

"If some voices prevail at the Vatican's Ecumenical conference, a new day will dawn in Roman Catholic - Protestant relations," Dr. Hermann W. Kaebnick, bishop of the Eastern Episcopal Area of the Evangelical United Brethren Church, said Sunday evening in a Reformation Day service here.

The annual service was held in the Church of the Abiding Presence on the Gettysburg Lutheran Theological Seminary campus under sponsorship of the Adams County Council of Churches.

Some of the reports coming from the Vatican Council are "like a cool breeze on a warm evening," Bishop Kaebnick said. "They show that some of the principles of the Reformation are being recognized and that is as it should be," he said.

SEMINARY CHOIR SING

He cited the need for renewal among the Protestant churches of the world and quoted Theologian Karl Barth as saying that "one result of the Ecumenical Council should be that all Protestants will earnestly seek renewal of their churches."

The speaker said people are "thinking more deeply about the essence of the church and we must be very careful now not to lose a sense of our place within the historic church regardless of our denominational affiliation."

After the processional hymn, "The Church's One Foundation," the invocation was given by the Rev. Mark Heiney, pastor of Grace Lutheran Church, and the 196th Psalm was read responsively. The scripture reading was by the Rev. George Shultz, pastor of St. Luke's United Church of Christ near Littlestown, and prayer was offered by the Rev. Robert MacAskill, Gettysburg Presbyterian pastor.

Two anthems were presented by the Seminary Choir under the direction of Robert Clippinger, who also served as organist. The anthems were "Beloved Now, Praise the Lord" by Titcomb and "Lord Keep Us Steadfast in Thy Word" by Vetter.

INTRODUCED BY PRESIDENT

The speaker was introduced by the Rev. Alfred Gotwalt, pastor of the Orrtanna Charge of the EUB Church who is also president of the Adams County Ministerium.

The Rev. Henry Early, pastor of Flohr's Lutheran Church, received the offering and the benediction was given by the Rev. W. William Kennard, pastor of the York Springs Methodist Charge. The recessional hymn was "Glorious Things of Thee Are Spoken." The ushers were supplied by St. James Lutheran Church here and members of Memorial EUB Youth Fellowship helped with the parking of cars.

Hurricanes

WILMINGTON, N.C. (AP)—Ginny and Helena ended their windy courtship with land early today and moved into open sea, but their eventual courses were still only a prediction.

Hurricane Ginny, still packing the 95-mile-per-hour winds which she carried up and down the Southeastern United States coast line last week, was reported about 500 miles west of Bermuda. She had held a steady course to the east for several hours.

Early Sunday, Ginny ceased to be a threat to the North Carolina coast, where she was born Oct. 19 and had returned Friday.

LOSES POWER

Helena, which lost and then regained tropical storm status during the weekend, lost much of its power again late Sunday and was carrying peak winds of only 40 miles per hour.

The San Juan Weather Bureau said Helena was "a diffused and poorly organized storm" with no evidence of a strong center. She was not expected to intensify as she moved into the Atlantic.

A late advisory located Helena about 85 miles east northeast of Antigua, Leeward Islands.

Helena, in a sweep past the island of Guadeloupe late Saturday, killed five persons, injured 14 and rendered 50 families homeless.

Weaver said he and Kump had seen Weikert and Little near Cashtown and had talked for about 10 minutes. Then Kump and Weaver were headed for home and passed the Little car, operated by Weikert, in Cashtown. After a time, Weaver said, he saw the Weikert-Little car approaching from the rear of the vehicle he was in. The Weikert-Little car was in the westbound lane.

Weaver said at the first hill east of the Franklin Twp. Consolidated School he saw the lights of Mrs. Shank's car approaching. Weaver said he and Kump heard the crash of the Marilyn Kump and the Little-Weikert cars colliding behind them. At Flohr's Church, Tom Kump turned his car and returned to the scene of the accident. Weaver said he and Tom Kump agreed to say they were not racing.

FOUR WOMEN ON JURY

On cross examination Weaver said that no one had said anything about racing before the accident and that he could not be certain, because Kump said nothing, that Kump even knew the Weikert-Little car was behind his vehicle.

The jury hearing the case includes 11 from the civil court list plus one volunteer from the list of criminal court jurors who had been asked to return if they

RAIDERS STUN CHARGERS ON 34-33 UPSET

By MIKE RATHET
Associated Press Sports Writer
Sid Gillman, the old professor of the American Football League, has taught his pupils well. Too well for Coach Sid Gillman.

Two of Gillman's able assistants have become head coaches in the AFL—Jack Faulkner at Denver and Al Davis at Oakland. Faulkner's Broncos have beaten San Diego three times without a loss. Gillman matched wits with Davis for the first time Sunday.

He's 0-4 against his pupils now.

HOUSTON ON TOP

Cotton Davidson's nine-yard touchdown pass to Glenn Shaw, reactivated from the deferred injury list just before the game, carried the Raiders from behind to a stunning 34-33 upset of the Western Division leading Chargers.

The victory pulled the Raiders to within 1½ games of the front-runners, San Diego is 5-2, Oakland 4-4.

Houston took over the top spot in the East as George Blanda passed for three second half touchdowns in the Oilers' 28-7 triumph over Kansas City. Houston leads with a 5-3 record.

JETS TIE DENVER

Boston dropped to a tie for second at 4-4 after a 28-21 loss to Buffalo Saturday night while New York remained in contention at 3-3-1 after a 35-35 tie with Denver before a second 47-21 turn in New York of 21-37.

The four-game program attracted 106,133, the season's high. In the National League, New York overwhelmed Cleveland 3-0, Green Bay walloped Baltimore 34-20, St. Louis defeated Washington 21-7, Chicago downed Philadelphia 16-7, Pittsburgh edged Dallas 27-21, Detroit whipped Minnesota 28-10 and Los Angeles defeated San Francisco 28-21.

The Chargers led 23-14 in the third quarter when Davidson took over for Tom Flores, who threw a pair of touchdown passes before being forced out with a head injury. Where Flores was good, Davidson was better. He hit for three TD passes—39 yards to Dobbie Craig, 46 to Art Powell and the clincher to Shaw.

"NIGHT AND IMAGINATION"

There's a hazy moon-ashining . . . through the bony arms of trees . . . and a spell of deep enchantment . . . seems to ride the evening breeze . . . stars are hiding 'neath the dark clouds . . . once so often they break through . . . like a group of smiling faces . . . that are playing peek-a-boo . . . hill and dale seem to be shrouded . . . in a web of mystery . . . and the ghosts of things long ended . . . are preparing for a spree . . . my imagination takes me . . . where no mortal man should go . . . and I'm haunted by the shadows . . . that are dancing to and fro . . . so I hurry through the nighttime . . . hoping I can leave behind . . . products of 'imagination' . . . playing havoc with my mind.

BRIEF RAINS FAIL TO EASE LONG DROUGHT

HARRISBURG (AP)—Rain paid a brief visit to Pennsylvania Sunday, but after it had departed, the drought still lingered on.

Meanwhile, the U.S. weather bureau at Harrisburg said the preliminary forecast calls for the precipitation to return either Monday night or Tuesday.

However, it is not expected to offer much relief at the moment for the parched lands and communities of the commonwealth. The amount of rainfall Sunday varied from 45 of an inch at Erie to .012 at Blairsville and Williamsport.

HUNTING BAN CONTINUES

It was not enough to reduce the high threat of forest fires, however, and hopeful hunters have no cause for optimism at present that the statewide hunting ban will be lifted in certain areas.

A spokesman for the Game Commission said it would take two to three inches of steady rain over a wide sector before the woods could be considered safe enough for hunting.

Weekend forest fires totaled 48—21 on Saturday and 27 Sunday.

The largest of these was in the Pocono mountain area where some 700 acres of land was burned.

Another 60 acres of woodland went up in flames Saturday near Wellsboro.

MORE DISASTER AREAS

Meanwhile, Gov. Scranton's office was informed Saturday by the U.S. Agriculture Department that nine additional counties have been declared emergency disaster areas.

In a telegram to the governor, Agriculture Secretary Orville L. Freeman certified these counties: Allegheny, Butler, Cambria, Clinton, Crawford, Indiana, Luzerne, Mercer and Westmoreland.

The certification makes farmers in these counties eligible to purchase surplus feed grain from the federal government at a reduced cost.

Freeman also told Scranton he would ask the Interstate Commerce Commission to permit railroads serving the state to "reduce freight tariffs on hay shipments to all designated counties."

During his years in Africa he has served as a Bible teacher in the Katungulu Training School for pastors. In this capacity he taught young men who were to become future evangelists and pastors of the many small churches that dot the land of Tanganyika. The great need of dedicated and trained leaders is pressing at this time in the growing churches.

Within the past three years he has served his mission as director of literature. His work has included the coordinating of the preparations, the printing and distribution of evangelical literature throughout East Africa.

Dr. Thomas G. Lawrence will be the Bible teacher and music will be supplied by Mr. and Mrs. Herman Smith of York. Other missionaries who will participate will be Rev. George Hinkle, Rev. Thomas Lowe, Stanton James and Miss Mary Alice Lippert. Colored slides will be used in each service.

DEATH CLAIMS TOM CONNALLY

WASHINGTON (AP)—Former Sen. Tom Connally, D-Tex., died at his home today of pneumonia. He was 86.

Connally died shortly after midnight. A former chairman of the Senate Foreign Relations Committee, Connally had lived in Washington since his retirement from the Senate in 1953.

Connally had been ill for some years. His wife was with him when he died.

The Texan was chairman of the Foreign Relations Committee during and after World War II.

GOOD DEBATER
Many Senate press gallery visitors regarded him as the senator who looked most like a senator. A frock-coated politician of the old school, he was famed as a rough and tumble debater during his 36-year congressional career, 24 in the Senate and 12 in the House.

Connally was elected to the Senate in 1928 after 12 years service in the House interrupted by World War I. He resigned from Congress to become a captain in the 22nd Infantry Brigade of the 11th Division shortly before the outfit sailed for France, he became ill and never got overseas.

Previously he had joined the Army as an enlisted man during the Spanish-American War but never got to Cuba.

ESCHWEGE, Germany (AP)—Four East Germans fled to West Germany over the weekend near here. Two came over under the cover of fog, the others by swimming a border river, police reported today.

Adams FHA Unit To Name Officers

The first Adams County Future Homemakers of America Council met Thursday at Littlestown High School. The "Add-A-Bit" covers were made by the Gettysburg chapter.

The meeting opened with a patio social. The girls from Littlestown prepared the food. Miss Margaret Brant, area supervisor of home economics, explained the responsibilities of the officers of the county council for 1963-1964. The officers are: Vicki Byers, chaplain-parliamentarian; Mary Myers, reporter; Shirley Naugle, historian-editor, and Judy Fissel, secretary-treasurer.

The president, vice president of degrees and vice president of projects are to be elected at the next county council meeting. The candidates are: Jane Crone, Gettysburg; Helen Patterson, Biglerville, and Deanne DeGroff, Littlestown.

Ann Heffner, Mechanicsburg, a 1962-1963 state officer, told about her trip to Kansas City, Mo., where she attended the national convention early in July. She also showed some slides of the trip and also a few slides of the Truman Library.

The girls then assembled their "Add-A-Bit" books. The books contain papers of what the various clubs have been doing since their first meeting. The next meeting will be held November 21 at Fairfield High School. The "Add-A-Bit" covers will be made by the Fairfield FHA.

and above all a collective gathering of the whole episcopal college with the Holy Spirit, a vertical coming together."

DEBATE AUTHORITY
Early in the second session of the council, which opened Sept. 29, the prelates debated the question of authority. Progressives, including Cardinal Suenens, favored a sharing of authority between the Pope and the bishops. The conservatives asked whether questions should be raised about papal authority.

Almost two weeks ago the council fathers were told that test votes would be taken on the issue. But the votes were postponed. There have been rumors that the tests were shelved, at least temporarily in a deadlock behind the scenes over procedure.

The council put aside its regular working schedule for today's commemoration ceremony.

Letter To The Editor

Dear Sir:

October 17, 1963

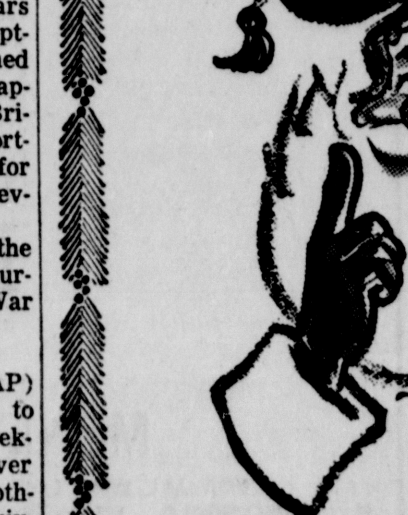

Last year it was an honor for me to represent Gettysburg High School and to be chosen the Halloween Queen 1962-1963. It has been such an unforgettable and exciting experience I shall always treasure in my heart along with the many wonderful memories I lived during my stay in the lovely town of Gettysburg, Pennsylvania. It was certainly a great year for me!!!

I hope everybody enjoys the contest this year as I did. I extend my congratulations to all the candidates.

Very sincerely,

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

Capt. Hunter's Cavalry Company from this county, was in the fight at Charlottesville, Va., a week or two ago, when the 9th Maryland was "gobbled up" and behaved gallantly. He lost one man killed, Edwin Jordan, and two wounded, John Brown, flesh wound of thigh, and William McIlhenny, flesh wound of shoulder.

Contract For Removing Of Dead: We understand that the contract for disintering the bodies in the Gettysburg Battlefield and at the Hospitals, and again interring them in the Soldiers' National Cemetery, has been awarded to John Hoke and Franklin Bieseker, at one dollar and fifty-nine cents per body. The work is to be commenced immediately. The Cemetery grounds having been appropriately laid out for the purpose.

The Wounded On The Field Of Battle: If anybody thinks that when our men are stricken upon the field they fill the air with cries and groans, till it shivers with such evidences of agony, he greatly errs. An arm is shattered, a leg carried away, a bullet pierces the breast and the soldier sinks down silently upon the ground or creeps away if he can, without a murmur or complaint; falls as the sparrow falls speechlessly, and like that sparrow, I earnestly believe, falls not without the Father. The dying horse gives out his fearful utterance of almost human suffering but the mangled rider is dumb. The crash of musketry, the crack of rifles, the roar of guns, the shriek of shells; the rebel whoop, the Federal cheer and that indescribable undertone of grinding, rumbling, splintering sound make up the voices of the battlefield.

Restaurant For Sale: The good will and fixtures of the "Gettysburg Saloon" in Carlisle street, are offered at private sale, and will be sold a bargain. For terms, etc., apply to Jacob Bushey, Esq., who will give the information desired. CATHARINE WARNER.

SEVENTY-FIVE YEARS AGO

The rate of toll on the Hanover and Littlestown turnpike has been fixed at 1 1/2 cents a mile, for the first horse and a cent a mile for each additional horse.

Riotous Italians: Tuesday Sheriff Taughinbaugh and a posse were called to Fairfield, on the line of the "Tapeworm Railroad" to quell a gang of riotous Italians on a strike. The two ringleaders, known by the numbers 96 and 218, were lodged in jail for inciting to riot, and twenty-one others were sent out of the county.

Sales: Clayton S. Rice has bought the property of his father, Michael Rice dec'd, near Arndtsville, at \$4,440, or \$30 per acre. S. A. Gilliland has purchased the farm of James S. McCullough, Straban township, containing 87 acres for \$5,000. The undivided half interest of Wm. Bittinger, deceased, in the lime kiln on Stratton street, this place, was sold on Friday by Daniel Eberley, Esq., to C. A. Oyler and son for \$1,250. Also at the same time an undivided half interest in Hendrix's switch to Judge Wills for \$10. On Saturday the F. A. Hankey farm in Straban township containing 63 acres and 10 perches was sold to George Grove for \$1,828.82.

Maryland Day: Last Thursday the State of Maryland paid a grand tribute to her union soldiery who fought on this field. During the past few years we have had many fine military and civic displays but none have equalled the display made by Maryland. Six excursion trains were run into Gettysburg. There were seven military organizations, thirteen G.A.R. Posts, Sons of Veterans, Survivors of the Mary-

Today's Talk

HOW TO GET EDUCATED
To get an education is a matter of will and desire. It can be acquired in many ways. It is not absolutely essential that it came from a college. College merely helps one to think for oneself, and if it doesn't do that it has failed in its highest function!

I have known of college graduates who have had years of Latin, math and scientific study, but who never learned the art of conversation and the intelligent handling of the English language. Many of them were unable to compose a clear and readable letter; or write a legible hand!

W. H. Hudson and Joseph Conrad, the latter a Pole who did not know English until he was almost 30, were both self-educated — yet they were, and still are so considered, among the great masters of English prose. The notable thing about them was that they were efficient observers. They knew human nature from close observation and contact. Hudson, being a naturalist, let nothing in nature get by his expert and watchful eye.

Every day should be considered another lesson in living, and improvement. Having new things to think about stimulates us to want to know more. The reading of an instructive book, the meeting and talking with an intelligent person, or adventuring through travel educates us. The mind develops just like the body does — through exercise and use.

There is no teacher so exacting as experience. You can't talk back to her. Respect her lessons — and up you go. Otherwise, down you go!

You really have to fail a few times before you begin to know just what success means. Trouble, disappointment, and failure — each is essential to a genuine education.

No matter how many teachers, before whom we daily sit to learn — and they are legion — in the final analysis, we instruct ourselves! We self educate. Nothing in life is too trivial not to know. A person is never completely educated until he is full master of himself.

NBC FAILED ON ITS PARIS BALL SUNDAY NIGHT

AP Television-Radio Writer
NEW YORK (AP) — Television, ever eager to bring base viewers new experiences, sometimes takes a tumble.

It is doubtful whether television can ever persuade us that it is more fun to look at a party than to go to one. NBC tried to do this on Sunday night and failed.

The "April in Paris Ball" in New York Friday night looked like a pretty dull affair from my armchair, but maybe it simply defied the cameras. A taped account occupied an hour of air time.

FEW GREAT MOMENTS

The formal entertainment consisted of music by such entertainers as Lizz Minnelli, Frank Sinatra Jr. and Peter Duchin. All bright young second-generation talents but it was the sort of thing to be found almost any night on a TV variety show.

Lisa Kirk, who acted as sort of hostess and guide mentioned all the debutante and society people supposed to be there, but never spoke of anybody by name. She also said it was the most expensive ball in the country—but didn't say what the tickets cost.

There were a few great moments for women drivers. In a fashion show we saw a coat made of—and quote Miss Kirk—"Chinese rooster feathers."

"GIRLS" IN TROUBLE
Jack Paar, who has been quietly — too quietly — hosting a weekly variety show for a year or so now, showed some of his old spunk and temper Friday night.

He took a few mean swipes at the comedy show, "Harry's Girls," which precedes him on NBC. He sneered at the quality of the show's scripts and suggested that his own show was suffering because of its small audience.

"Harry's Girls" is already in trouble. There is talk that NBC or a sponsor would like Paar to take over the time that would make it TV's first 90-minute variety show. NBC says "no comment" so perhaps a deal is in the making.

CRITICIZES NEW SHOW

"Sunday," a new afternoon hour, had its NBC premiere Sunday.

There was little news, a short feature on Sen. Barry Goldwater of Arizona, another on drinking in Washington. It talked of books, music, architecture and touched everything from the Eastern dry spell to NBC's way of censoring its programs. It covered too much too fast, and probably will shake down to some sort of a format in a few weeks.

Recommended tonight: "Hollywood and the Stars," NBC, 9:30-10 (EST)—biography of the late Al Jolson, star of the first talking picture; "East Side, West Side," CBS, 10-11, story of a retarded youth.

When you are steaming a food, be sure that the water doesn't touch the food; if it does, you'll be boiling food in water, not cooking it by steam!

Better Education Is Nation's Need

PHILADELPHIA (AP)—More and better education is the only long-range answer to the nation's material and social problems, in the opinion of Anthony J. Celebrezze, U.S. Secretary of Health Education and Welfare.

Celebrezze stressed the importance of education upon receiving an honorary doctor of laws degree at LaSalle College's centennial convocation.

He added that "real equality of opportunity is not possible to day without the benefit of an adequate formal education. . . . When access to education is denied any American because of his race, this is more than an affront to justice and a waste of human potential; it is a denial to the individual of personal freedom."

U.S. WARNED BY SCRANTON

EASTON Pa. (AP)—Gov. Scranton warns that the United States may lose its position of world leadership—and may deserve to lose it — unless this country makes an all-out effort to solve current racial problems.

Addressing the annual Founders Convocation at Lafayette College Saturday Scranton said he was optimistic that there eventually would be an end to racial discrimination. But, meanwhile, he said, "the problem has become a major defect in our struggle to win men's minds to the way of life we hold so dear."

Unless Americans try hard to solve it, he added, "I seriously question whether this nation will, or should remain a world leader."

Scranton helped dedicate a new \$2 million library at the college, which awarded him an honorary doctor of laws degree.

PHILADELPHIA (AP)—An estimated 2,200,000 persons in Philadelphia, Delaware, Bucks and Montgomery counties, in Pennsylvania, and Camden County, N.J., received the Sabin Type 3 oral polio vaccine Sunday in the second stage of a mass immunization drive.

Four Gettysburg College passing records fell by the wayside as the Bullets rolled up 309 yards via aerials to topple Muhlenberg 33-14 Saturday afternoon in Allentown before 5,000 fans.

Flanker Dale Boyd, Pennsville, N.J., smashed two pass receiving marks when he pulled down five tosses for 89 yards. His season's total of 27 receptions passes that of 26 set by Harry Richter in 1960 and his total of 507 yards surpasses the 429 set by Don Emert in 1949. As a team the Bullets have completed 99 of 204 aerials. The team of 1950 threw 193 while a total of 93 were caught in 1961. Gettysburg has accumulated 1,527 yards in the air, just 33 yards short of the all time high of 1,560 set in 1949.

JOHNSTON HURT

Vance Johnston, Gettysburg's number one passer, sustained a right leg injury in the first half of Saturday's contest and was unable to play the remainder of the contest. It is not known how many games he will miss the rest of the year.

Before he was forced to leave the contest, Johnston guided the Bullets to a quick 20-0 lead in the first quarter. With just 5:35 remaining in the initial quarter, Johnston tossed a pair of TD's. The first scoring aerial was a flying flip to flanker Ken Snyder climaxing a 95-yard drive when Gettysburg held Muhlenberg on the Bullets' five on three downs. The second six-point came 1:22 later. Following a Mule punt, Gettysburg took over on their own 38. On the first play from scrimmage Johnston hit Snyder again and the Hershey flash streaked down the sidelines completing the 62-yard play. Barry Gruber made good on his second straight placement.

The Bullets cashed in on another quick score with 1:12 to go in the period. End Pat Noonan recovered a John Piper fumble on the Muhlenberg 18. Phil Parsons, senior halfback slanted off the right tackle-end slot and romped into the end zone on the first play. Gruber missed the placement and Gettysburg clung to its 20-0 advantage through the rest of the first half.

Before Johnston sustained his injury he had completed seven of 12 aerials for 154 yards. He also picked up an additional 22 yards on the ground on three carries. He has now completed 43 of 91 tosses for 679 yards and six touchdowns on the season.

HILTY RECOVERS

With Sophomore Jim Ward and Junior Don Enders taking over the quarterbacking duties in the second half, Gettysburg came through with two more scores, both in the third quarter. Center John Hilty set the stage for the Bullets' fourth TD when he recovered a Charles Wogenrich fumble on the Mules' 20. Four plays later at the 9:50 mark, Ward passed into the end zone to the outstretched arms of Tony Presogna for the 15-yard TD. Ward's pass for the conversion missed its mark.

With 1:17 remaining in the frame, Enders climaxed a 59-yard six-play drive with a 22-yard toss

to Dale Boyd for the final six-points. Reed Ernst booted the placement.

MULES GET TWO

Muhlenberg took advantage of a green and laxed Gettysburg defense in the final quarter to score both of its touchdowns. With just 1:54 gone by in the last period, Barry Johnson wound up a 70-yard, eight-play drive with a 33-yard jaunt around right end for the score. Wogenrich ran for the two-point conversion. Seven minutes later the Mules crossed the goal line again. Charlie Gills recovered a Bob Wolfgang fumble on the Bullets' 25. Five plays later Quarterback Terry Haney fired 12 yards to end Dave Binder open in the end zone. Haney's run for the two-points was stopped.

Gettysburg's 33 point total was the highest since the 35-0 win over Temple in 1959. The Bullets are now 4-3 on the season winning their last three contests. This also marks the first time a Gettysburg team has gone over the .500 mark since midway through the '59 campaign when they finished the year with a 5-4 slate. Coach Gene Haas' small squad will attempt to make it four in a row when they meet Lafayette next Saturday in the annual homecoming engagement on Memorial Field.

TITTLE HIT ON 21 PASSES OUT OF 31 SUNDAY

CLEVELAND (AP)—New York Coach Allie Sherman had a plan to defeat the previously unbeaten Cleveland Browns — control the ball, move it in short bursts and smother the league's best offense.

It was a tall order. But the Giants, in a do-or-die game for them, did it all and more Sunday before 44,213 stunned fans en route to a 33-6 National Football League victory.

Y. A. Tittle hit on 21 of 31 passes for 214 yards and two touchdowns, Alex Webster ran over for another score and Don Chandler booted field goals from the 29, 34, 33 and 42-yard lines and kicked three conversions for a total of 15 points.

STATISTICS TELL STORY

How well the Giants controlled the ball can be seen in the statistics. They ran off 78 plays, or 40 more than Cleveland, which now has a 6-1 record compared with 5-2 marks for New York and St. Louis in the NFL Eastern Conference.

Jim Brown was held to 40 yards on nine carries and Frank Ryan completed only one of nine passes—and that for a minus six yards to Ernie Green, who was injured on the play.

Temperers got out of control 52 seconds before the final gun when Brown and Giants' line-backer Tom Scott traded punches and both were ejected.

PITT LOSES BUT LAFAYETTE'S LEOPARDS WIN

By THE ASSOCIATED PRESS
Lafayette and Carnegie Tech win.

So, who cares that Pitt was sunk by Navy eliminating the possibility of an undefeated, untied team for the state this year. Lafayette and Carnegie Tech win.

This was as important as Slippery Rock's upset of Indiana; Waynesburg's dumping of Westminster; Penn State's comeback against West Virginia.

BUCKNELL UPSET

In case you weren't aware, Lafayette and Carnegie Tech hadn't won a game. Lafayette had scored one touchdown in four starts. Saturday, Lafayette upset Bucknell 14-13. Carnegie Tech outscored F. & M. 35-24.

Roger Staubach, the Navy's great quarterback, sparked in the Middles romp over the previously unbeaten Panthers. Pitt didn't score until the final period when the game was out of reach.

Slippery Rock, defending champions in the Western Division of the State College Conference, edged previously undefeated, once tied Indiana 10-7. The two had been deadlocked for the conference lead.

1ST WAYNESBORO LOSS

Penn State, which had scored only one touchdown in its previous two games—both losses—bounced back to beat West Virginia 20-9, helped by Ron Coates' two field goals and two conversions.

Westminster also felt defeat for the first time, losing 34-26 to Waynesburg. Harry Theofiles threw a TD pass and ran for a pair in upending the once tied losers. Waynesburg fullback Wayne Fullerton scored twice, upping his season total to 60 points and keeping him in contention for the state scoring title.

Thiel, once tied, remained unbeaten with a 28-7 romp over Bethany. Joe Ladd passed for a touchdown and ran for another in Thiel's third win.

Also unbeaten but once tied Temple, assured itself of its first winning season in 12 years with a 46-14 win over Hofstra.

OTHER RESULTS

Elsewhere this past weekend: Penn lost everything at Franklin Field but the game. Bunting for 3½ quarters, the Quakers scored a fourth period touchdown and conversion to edge Rutgers 7-6. Rutgers was its own worst enemy, fumbling the ball away four times and losing 100 yards on nine penalties. Lehigh discovered why Columbia's quarterback, Archie Roberts, is one of the best in the business. Mr. Roberts passed for two scores and ran for two in a 42-21 Columbia win.

West Chester held on to the lead in the State College Conference Eastern Division with a 34-0 walloping of Kutztown. Dave Wion bolted one yard with less than two minutes to play giving Allegheny a 22-21 win over Wayne State. Albright intercepted seven passes and gained 529 yards running and passing in a 63-0 victory over Delaware Valley. Susquehanna, with Larry Erdman, Don Green and Tom Rutschauer each scoring twice, trounced Trinity 41-0. Bewildered Villanova bowed 27-0 to Xavier in a game highlighted by Walt Mainer's 77-yard touchdown run.

BLOCK AFRICAN TRIP BY LISTON

CAPE TOWN, South Africa (AP)—The Cape Boxing Board does not favor an exhibition tour to Capetown next month by world heavyweight champion Sonny Liston.

The board's chairman, Major W. C. Hoffman, was quoted in the press here as saying the promoter of the proposed tournament, Tiger Kid Shaik, will be brought before the board Monday.

"He will be asked to produce his correspondence concerning the Liston exhibition and whether he can guarantee the money to cover such an expensive venture," Hoffman was quoted as saying.

"Most important, we will want to know whether he realizes the danger of promoting a tournament the board considers potentially explosive."

Emphasizing that the board was not opposed to nonwhite athletes Hoffman said:

"We have nothing against a man's color. Rather we are concerned with his behavior, and Liston has a rather alarming personal record."

Two of the Ivy League's football captains are centers. They are Yale's George Humphrey from Chagrin Falls, Ohio and Penn's Fred Jaffin from Ambler, Pa.

Scotland 28-7 Winner Over Scrappy Bermudian On College Gridiron

Scotland scored two quick touchdowns in the first period and went on to take a 28-7 decision from the out-manned Bermudian Springs High School gridlers Saturday afternoon on the Gettysburg College field.

Tony Ryan, hard-running 175-pound back, was the big gun for the Cadets, accounting for three touchdowns.

Bermudian got in trouble early in the game when a bad pass from center on fourth down gave Scotland possession on the Eagles' 20. Two plays later Ryan circled left end for the score and Leroy Pague booted the extra point.

After receiving the ensuing kickoff the Eagles were forced to kick and the short punt was returned to the Bermudian 20. Bill Tudor picked up seven yards and then Ryan raced over for his second score. This time Pague's kick for the point was wide.

After a jump pass to Bob Lancaster was good for nine yards Jim Harbold broke through left tackle for a first down on the 37. Todd Tanger then tossed to Bill Hinkle for a first down on the Scotland 40. A Tanger-Lancaster pass for 12 yards and a run by Tom Cashman put the ball on the 20 but the Cadets braced to take the ball on the 23.

An exchange of punts followed with Scotland launching another TD drive from its 35, the payoff being a two-yard blast by Tom Hirschman with 1:15 left in the half. Pague converted to make it 20-0 at half time.

Midway in the third period Scotland recovered a fumble on the Bermudian 42 but could make little headway against the scrappy Eagles and punted to the Bermudian six. Two plays brought four yards but then Tanger was caught behind the goal line by Nat Mooney to give Scotland a safety.

Both teams scored touchdowns in the final frame.

Bermudian marched about 65 yards for its score with Cashman going over from the one. Dan Cormann kicked the point. Ryan went over from the one for its third score of the afternoon.

PERFORM WELL

Hinkle, Tanger, Tom and Jim Harbold played outstanding games for the Eagles. Reid McCauslin, fullback, was unable to play due to an injury suffered last week during practice. He is expected to be ready Friday night.

Eisenhower Winner Of Benefit Race

Bobby Hersh's team mate Don Eisenhower, won the 25-lap Bobby Hersh benefit race at the Lincoln Speedway Sunday afternoon. Ed Zirkle, Lee Schriver, Walt Bosman, Gene Goodling, and Pete Kantorsky followed Eisenhower to the wire.

Mike Woolford took the 20-lap feature for late models. Ray Fanning, Frank Constantine, Nelson Stanberry, Ed Duvall, and Jake Beard followed.

Trophies went to all competitors that started in the twin feature events. Merchandise awards were added for the first three places in the S-M modified. The first two places in the late models also received bonus awards.

It was reported proceeds after taxes from cash donations, speedway gate, etc., came to approximately \$6,518.

The Gettysburg College soccer team scored three times in the second half and went on to romp to a 4-1 victory over La Salle Saturday afternoon in Philadelphia.

La Salle rammed through a goal at the 11:55 mark of the first period but six minutes later Bob Doerley knotted the count. John Uelses, famous for his 16-foot pole vault in track, tallied the Explorers' lone point.

Bob Nix and John Colestock teamed in the third period to put the game on ice for the Bullets. Colestock put the finishing touches on the score as he rammed through a fourth period goal at 10:20 on an assist from Bill Burfield.

Tom Petrone and Bill Huber combined to haul down ten saves for Gettysburg while Andy Quinn netted 21 saves for the host team. Gettysburg is now 4-3-1 on the season while La Salle is sporting a 1-3-1 mark. The Bullets will travel to Annapolis on Wednesday to meet Navy.

HOUSEWIVES TOLD TO WATCH SMOKED FISH

DETROIT (AP) — The botulism food poisoning scare flared anew Saturday with a federal agency's recommendation that housewives get rid of smoked fish products which came from the Great Lakes area.

The Food and Drug Administration in Washington Friday night urged homemakers to destroy any smoked fish products they have under refrigeration, provided the fish were caught in the Great Lakes or processed in Great Lakes area plants.

FDA Commissioner George P. Larrick said he issued the emergency advisory because of the "deadly nature of botulism poisoning and the occurrence of seven deaths in the last few weeks from botulism associated with smoked whitefish and chubs produced in the Great Lakes area."

TRACE 5 DEATHS

An advisory committee of scientific experts told the FDA, Larrick said, that five recent deaths in Tennessee and Alabama were attributed to one lot of smoked "whitefish chubs." The product was shipped to a Nashville, Tenn., grocery chain warehouse by a Michigan firm.

H. J. Dornbos & Bro. of Grand Haven, Mich., halted processing of smoked fish after the shipment was traced to its plant. The company had said it planned to resume operations early next week, pending the outcome of laboratory tests of its fish samples.

Two other deaths—those of a Kalamazoo, Mich., couple—also were blamed on botulism Type E poisoning. But authorities said they never were able to find the source of the fish eaten by the victims.

SEIZE STOCKS

The latest development from Washington was accompanied by announcements that Michigan officials seized stocks of two state processing plants and that Chicago Health Commissioner Samuel Andelman ordered seizure of all smoked fish products in the city Friday. Andelman said 90 investigators will work on the case all week-end.

The FDA singled out fish products that are packaged in sealed plastic wrappers and those that are sold in bulk without any wrappers. Canned products are not involved, the agency said.

Michigan authorities said they found the organisms—*Clostridium botulinum*—in samples of smoked fish from the St. Joseph Fisheries of St. Joseph, Mich., and Royal Snack Food, Inc., of Detroit.

SAYS SCHOOL SUBSIDY BILL NEEDS CHANGE

PHILADELPHIA (AP)—Gov. Scranton says the school subsidy program must be revised, although it may be a difficult task. He asked 1,000 members of the Pennsylvania School Boards Association Friday to help him do it.

The Governor, speaking at the organization's 67th annual convention, said, "I can't think of any more important group, and I'm asking for your help. You have been with this problem for years—I know it's difficult, but it has to be done."

Scranton said he was hopeful the association could come up with a "more simplified program" when the Legislature meets in 1965.

BILL NOT CLEAR

Scranton said he does not understand the school subsidy system "and I don't think anyone else really does."

The Governor said that since coming into office he has received many complaints about the system. He said he hopes the

ACTRESS HAS ART EXHIBIT IN USES OFFICE

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP)—Another first for the art world — Mae Clarke is having a one-woman show in her unemployment insurance office.

You remember Mae. Anyway, you remember the grapefruit. The one that Jimmy Cagney pushed in her face in "Public Enemy." It set a whole new style in male-female etiquette and did wonders for the citrus industry.

Mae is also noted as the girl who almost got the guy in the original "Frankenstein."

TWO-CANVAS SHOW

Such accomplishments may now fade in the glow of Mae's latest career as an artist. If you are near the North Hollywood office of the state unemployment insurance department, you might drop in and see her show — well, two canvases, anyway.

How did she happen to choose the unique gallery?

"Well, I took up painting a year ago just to see if I could do it," she explained. "It was something to do between acting jobs, and I got interested. People began telling me my work was good, and I wanted some exposure. No sense in hiding my talent on my apartment wall."

"The ideal thing would be to have an exhibit at Raymond Burr's gallery but he only has Picasso and people like that. Or I'd have a big party and let Vincent Price introduce me. I can't afford it."

UNEMPLOYMENT CLUB

Mae is a longtime member of a nonexclusive club of Hollywood names who collect their weekly unemployment checks at the state offices. Any day you can find recognizable faces standing in line as they wait to pick up their checks "between engagements."

"It's not a dole," said Mae. "We do it without shame. Adolph Menjou led the way."

It was the dapper Menjou who attracted attention to the practice by arriving at the state office in his chauffeured Rolls Royce, standing in line for his check, then driving back to his Beverly Hills mansion.

He said he can get checks shows that we have been working," Mae remarked. Under California law, unemployment insurance funds are deducted from work checks.

1965 Legislature "will come up with something we can at least understand."

Scranton outlined major pieces of legislation which have become laws during his term in office.

Included were the eight-station educational television network, legislation to improve technical education on a secondary level, and an increase in teachers' salaries.

After the Governor's speech, R. Winfield Smith, president of the association, noted that the subsidy program for schools is based on a 20-year formula. It seeks to equalize the financial burden of state reimbursement to school districts on the basis of student enrollment, he said.

JFK WILL GET HIS ANSWER ON CIVIL RIGHTS

WASHINGTON (AP)—President Kennedy gets the answer today to his request for bipartisan agreement on a civil rights bill.

The House Judiciary Committee is due to vote Tuesday on a bill Kennedy fears is too controversial to pass. Whether it can be blocked depends on the success of an intensive seeling campaign by the administration.

Since Thursday, when Kennedy won a postponement of the crucial committee vote, the Justice Department has been negotiating with House Republican leaders to see how strong a bill they will accept.

WEEKEND MEETINGS

A busy round of weekend meetings with Rep. William M. McCulloch, R-Ohio, ranking Republican on the judiciary committee, who kept in close touch by telephone with minority leader Charles A. Halleck of Indiana, led to cautious hopes an agreement might be possible.

Democratic leaders were scheduled to meet with Kennedy late today to find out what the GOP position is and decide whether they can join in it.

The bill Kennedy objects to is a 10-part omnibus measure a judiciary subcommittee superimposed on the administration's original seven-part package.

CALLED "DANGEROUS"

It strengthens all the administration proposals and includes a section authorizing powers for the attorney general that Atty. Gen. Robert F. Kennedy has called "dangerous."

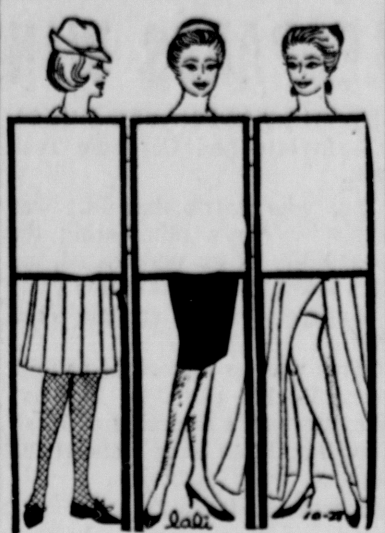

The administration's efforts have been devoted to inducing Democrats and Republicans on the committee to support a bill patterned more closely on its original package.

GAMBITS. When nylon sheers are the leg's best friend, who could imagine that thick stockings would find favor for town wear?

Well, some talented fashion creators had the dream and found plenty of takers.

And sometimes they look right, sometimes a fright. Unless a girl has a slim leg, she really must confine her choice to light weights and restrained shades. Or else reduce!

Of course the very idea of wearing any version of the textured stocking with high heels is ludicrous. The higher the heel, the smoother and sheerer the stocking should be.

For high-heel occasions, nylons are of the sheerest. Fiber H stockings are truly "little nothings"—with a better fit and cling than anything we've had to date.

Equally lovely are sandalfoot stockings with seams. These are designed to accompany the open-toed late day and evening slippers. In the deeper shades they have a special affinity for black and dark costumes. Also for the flattery of the leg!

Catering to the devotees of closed pumps, there is a sheer seamless stocking with run guards reinforcing toes and heels. Luxurious and practical — what a gambit!

Also apropos to after-dark is panty hose, made with great elegance of Antron. Thus stockings keep in step with fashion and film the leg with beauty as never before. If, that is, legs wear the

The British-backed federation has been vigorously opposed by Indonesia.

KIDNAPT BABY FOUND ALIVE

LANSING, Mich. (AP) — A tiny, 5-year-old blonde girl who was kidnapped from her mother's parked car Friday night was found alive and apparently unharmed Saturday, Ingham County sheriff's deputies said.

Officers said Michelle Moran was found in a ditch a few miles east of here by a truck driver. They said the child was "wet but apparently unharmed."

Michelle, who lives in neighboring East Lansing, was abducted from her mother's car at a busy shopping center as her brother watched in horror. He told police she was taken by a bespectacled, dark complexioned young man.

She was found today as some 200 police and civilian searchers planned to search a 25-square mile area dotted with woods and swamps.

Police said it was not immediately determined whether the girl had been molested. She was taken to a Lansing hospital for examination.

McNamara Cancels Nuclear Powered Carrier; Orders Conventional Ship Instead

By ELTON C. FAY
WASHINGTON (AP) — The Navy's hope for building a second nuclear-powered carrier has been torpedoed by Secretary of Defense Robert S. McNamara. He ordered an immediate start Friday on a carrier with standard power.

The word was passed to the Navy a few hours before admirals and captains gathered by the hundreds at a dinner for their annual celebration of "Navy Day"—which really isn't until Sunday.

CITES SAVING

McNamara, exponent of cost effectiveness in defense spending, had been cool to the idea of putting nuclear instead of conventional power in carrier No. CVA 67 for which Congress provided funds a year ago. But he held off on a final decision until Friday. When he announced it, the cost difference—at least \$435 million for atomic versus \$310 million for conventional power—wasn't emphasized.

Instead, he said his action was "motivated by a desire to avoid further delay," although he elsewhere mentioned cost differences.

He said the Navy had requested delay while it studied the possibility of using atomic instead of conventional power.

But now he has ordered the Navy to "proceed immediately"

FANCIEST BALL NETS \$200,000 FOR CHARITIES

By JEAN SPRAIN WILSON
AP Fashion Writer
NEW YORK (AP) — Klieg lights emblazoned the sky Friday night as 1,800 persons pressed against the roped-off entrance to the Americana Hotel to witness the annual grand entrance to the biggest, most expensive charity ball in the country.

Movie stars, royalty, international society, a Russian ambassador — 1,350 people all told — paid \$150 each to be applauded by the crowds as they made their way into the 12th annual April in Paris Ball.

ELSA MAXWELL ATTENDS

Elsa Maxwell, founder of the gala affair, arrived in a wheelchair.

Seated not far from her was still another famous hostess, Washington's Pearl Mesta.

In Irish green was President Kennedy's mother, Rose. Down the crowded aisle, rustling through her file cards, was Clark Gable's widow, Kay. Mrs. Gable commented the fashion show later in the evening, featuring the Paris styles of Madame Alix Gres.

A Springfield, Mass., widow, Mrs. Sally Fenelon-Young signed a check for \$9,650 to cover the cost of the 63 dinner guests she brought with her.

The lavish party started with play-money gambling at 7:30 p.m. in a French restaurant-nightclub atmosphere and faded away at 5 a.m.

In between were two orchestras, troubadours, a French chanteuse and a Russian ballet dancer.

YOUNG PERFORMERS

Judy Garland's daughter, Lisa Minelli, performed with Peter Duchin and Frank Sinatra Jr. in a younger generation segment of the program.

Two pairs each of white gloves were alternately worn especially for the occasion by 155 waiters who popped 250 magnums of champagne, 3,000 bottles of wine, uncorked 100 bottles of scotch and 50 of rye, and smashed 1,000 glasses in the serving.

The guests consumed 1,900 pounds of filet mignon, 52 gallons of soup and 3,500 petit fours (small French pastries) during the seven-course meal.

SECURITY GUARD

To keep party crashing at a minimum, 40 security men circulated among the crowd. Elevator service was cut off at the ballroom floor still, 20 fakers made their way in.

In another part of the hotel, 70 limousine chauffeurs relaxed returned Thursday from minor ear surgery, then apparently met with him Friday and turned down the Navy proposal.

New Project Will Solve Water Issue

WASHINGTON, Pa. (AP)—A \$1 million emergency project, designed to ease the Washington area's water problems, has been announced by Citizens Water Co.

The Washington company said Friday it plans to install a 20-inch pipeline from the South Pittsburgh Water Co. facility to one of Citizens' mains in the Canonsburg area.

Citizens Water Co. also said it plans to install piping in the Washington area for the industrial section. The project is scheduled to be completed early next year.

U.S. EDUCATION IS SCORED BY ADM. RICKOVER

By G. K. HODENFIELD
AP Education Writer
WASHINGTON (AP) — Vice Adm. Hyman G. Rickover has loosed another blistering attack on U.S. public education, calling it soft, frill-laden, anti-intellectual and administered by incompetents.

There were indications that those who have stood most firmly at his side are finding his advocacy of European education too strong.

Rickover was a featured speaker Friday night at the annual meeting of the Council for Basic Education, a nonprofit organization dedicated to "the encouragement and maintenance of high academic standards in the American public schools."

Its membership is made up of educators and laymen who be-

lieve, with Rickover, that public education in this country leaves much to be desired. The council in the past has given wide publication to Rickover's views.

BETTER ABROAD

Rickover told the council, "The plain fact is that the educational value of a school year is at least a third higher abroad than here. European standards of teacher education are notably higher. Europeans attain any given educational level years before our children get there. We shall in the end have to accept separate schooling at the

secondary level—on the European pattern."

Immediately after his speech, a panel which had shared the speakers' platform with Rickover took the admiral to task and declared unanimously that this country need not, and should not, copy the European system of education.

Audience reaction indicated overwhelming approval of the panel's views.

POLICE PROBE NEW STABBING

PITTSBURGH (AP) — Police are probing the stabbing of a young Pittsburgh man who they say met his death under bizarre circumstances.

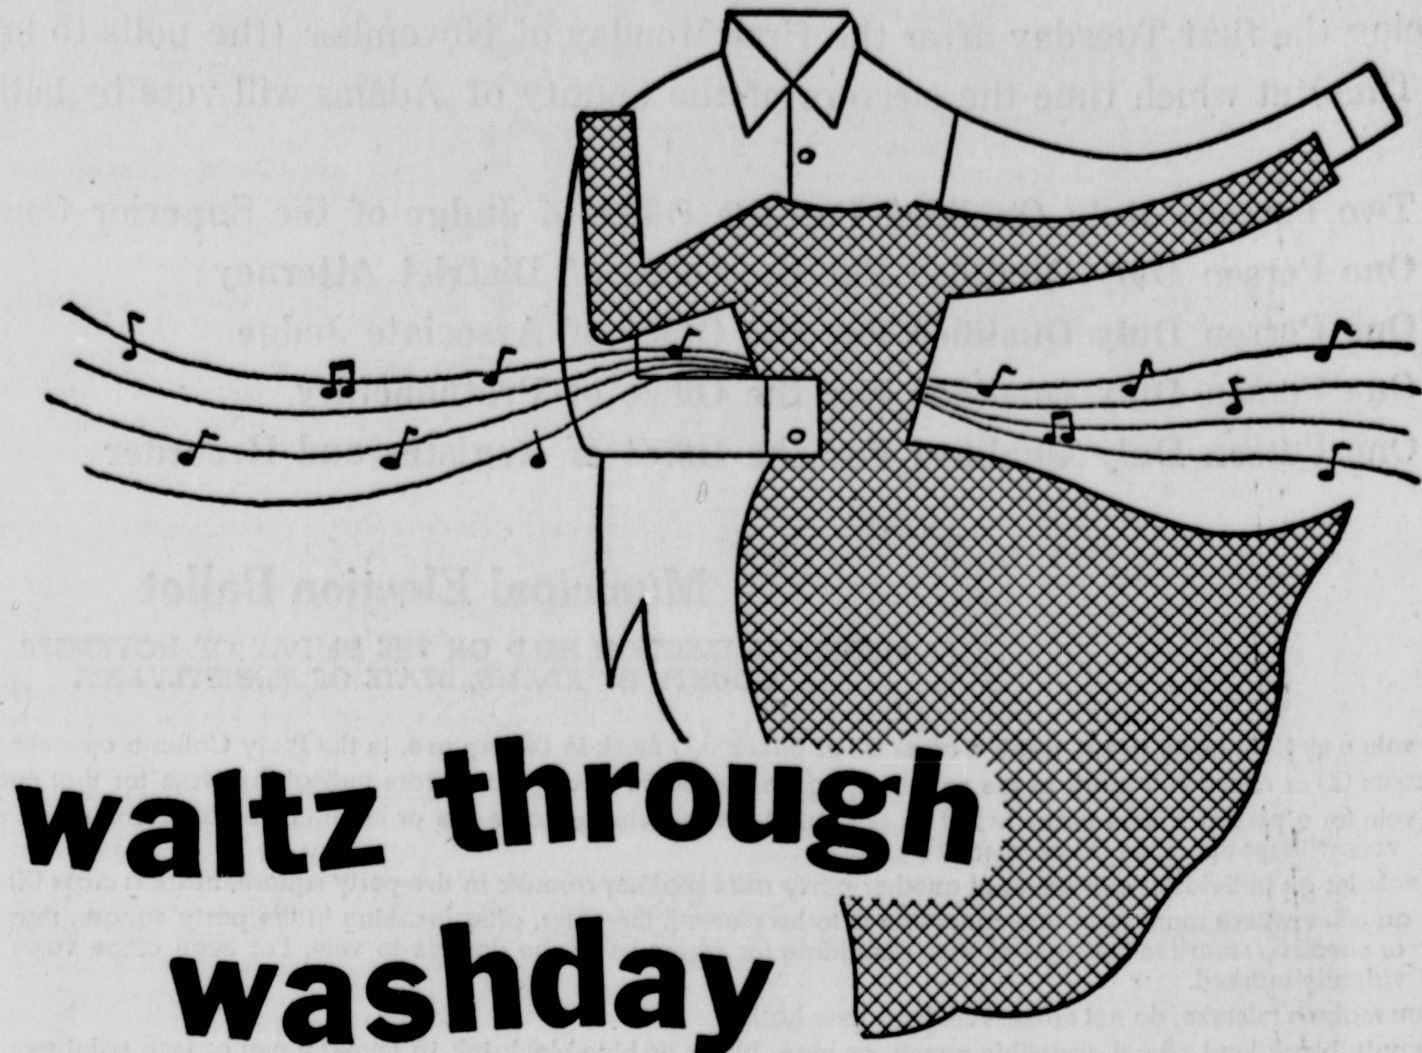

The body of William Capelle, 7, was found Friday in an alley in Pittsburgh's Homewood section. He had been stabbed 14 times.

Detective Superintendent William J. Gilmore said they were questioning a person about the slaying. The person's identity was not revealed.

Gilmore said Capelle was murdered in a mansion and his body was placed in a wooden box for a while. The location of the mansion was not disclosed.

Then, Gilmore said, the victim's body was taken by auto and dumped in the alley. He said a footprint found near the body matched that of a shoe found in the mansion.

Police now have two mysterious stabbings on their hands. Just last Wednesday, Harry J. Barnes, 39, of suburban Avalon, was found fatally wounded on a North Side street.

GORDIE HOWE TIES HOCKEY SCORING MARK

By THE ASSOCIATED PRESS
DETROIT (AP)—Gordie Howe, the Detroit Red Wings' Golden Boy for 18 years, now owns a share of the National Hockey League all-time scoring record with Maurice "Rocket" Richard.

Howe, as pandemonium broke out in Detroit Olympia Stadium's stands, drove home goal No. 544 Sunday night to draw even with Richard's 18-year record set with the Montreal Canadiens.

The Canadiens beat Detroit 6-4, but that made no difference to the Detroit fans, who have long held Howe as their darling.

"I'm glad I got it," Howe said. Giving credit to his team-

mates, he added "this should help the club. They've been out there looking out for me."

PLAYS TUESDAY

Howe gets his first chance for No. 545 Tuesday night when the Red Wings play the Chicago Black Hawks at Chicago.

Gordie's big one came on a power play at 11:04 of the third period. He slashed in a short shot past goalie Gump Worsley after taking a pass from the boards from Bruce MacGregor. "Then five guys hit me," Howe said.

Howe made his 544 goals in 1,126 games. Richard made his in 978 games in 18 seasons from 1942 to 1960, when he retired. When Richard began his accumulation the NHL schedule was 50 games a season. Since then it has been 70 games.

The Hawks now have an unbeaten string of four victories and two ties. Ab McDonald and Bobby Hull scored the vital points within 37 minutes of each other.

Meanwhile, a six-game streak of a different kind than the Hawks' was snapped when the Boston Bruins beat the Toronto Maple Leafs 2-0. Goalie Ed Johnston shut out the Stanley Cup champions for the Bruins' first season victory after six losses.

States, with Jack Nicklaus chalking up a fantastic run of birdies, won the Canada Cup Golf Tournament for the fourth straight year today as play in the final round was delayed by fog and then finally cut to nine holes.

Fred Corcoran, tournament director, ruled that all players must complete the 63 holes in order for the tournament to be official. But later he said there was no question but that all would complete today's nine holes thus making the victories of the U. S. and Nicklaus official.

BIRDIES 4 OF 9

Nicklaus birdied six of the nine holes and also won the individual title with a 63-hole total of 237 after being tied with South Africa's Gary Player at the end of 54 holes.

Arnold Palmer, a member of two of the three previous U. S. championship teams, had a 245 to give the U. S. a combined score of 482. Palmer had a 34

for the final nine holes.

The final round originally was scheduled for Sunday but was postponed because of a heavy fog. Fog blanketed the par 72 Saint-nom-la-Breteche links today but, after a long delay, lifted enough to permit the players from 33 countries to tee off.

Corcoran ruled however, that the round be reduced to nine holes because of weather conditions and the fact a number of the players have commitments in Australia Wednesday.

Spain, tied with Nicklaus and Palmer at 416 for the team championship going into the final round, ended up with 485. Sebastian Migue, had a 33 for a 63-hole total of 242 and Ramon Sota a 36 for a 243.

Player finished with a 37, giving him a 63-hole total of 242 and a tie with Miguel. With a number of players still on the course it looked like 242 would be good enough for second place in the battle for the individual

FOUR BIG ONES TUMBLE OUT OF UNBEATEN LIST

Associated Press Sports Writer

It was a black October for the leading college football teams. Week after week many of the top ranked outfits took it on the chin.

Last Saturday was no exception. Wisconsin, Pitt, Dartmouth and Duke tumbled from the unbeaten ranks. No. 1 Texas managed to beat Rice 10-6 and thus remained in the select group along with Princeton, Auburn and Bowling Green. They are the only major teams with perfect records.

Wisconsin, No. 2 ranked, went down before Ohio State 13-10. Pitt, No. 3, lost to No. 10 Navy 24-12. Dartmouth had its 15-game winning streak snapped by Harvard 17-13 and Duke fell before North Carolina State 21-7.

ROMP FOR PRINCETON
Princeton was about the only leading eleven to have a romp. The Nassau Tigers crushed Cornell 51-14. Bowling Green defeated Kent State 18-3. Auburn, No. 8, had an open date.

In some other surprises Stanford humbled Notre Dame 24-14 in a nationally televised game. Michigan State thumped No. 9 Northwestern 15-7 and Memphis State, 5-0-1, took over as the top independent by knocking off Mississippi State 17-10. Louisiana State's 14-0 victory over Florida also comes in the unexpected category.

SOME TOP WINS
The other teams in The Associated Press top ten won. Mississippi, No. 5 beat Vanderbilt 27-7. Alabama, No. 6, took Houston 21-13 and Oklahoma, No. 7, whipped Kansas State 34-9. Illinois, No. 4, came from behind to defeat UCLA 18-12 Friday night.

As it turned out, Tommy Ford's 33-yard touchdown run and Tony Crosby's conversion in the first period was enough for Texas to chalk up its sixth straight. But the Longhorns were on the anxious set until the last minute. Rice quarterback Walter McReynolds and Benny Hollingsworth filled the air with passes. The game was in doubt until Joe Dixon intercepted a long heave by Hollingsworth on the Texas 10 with less than 60 seconds to play.

Roger Staubach starred as usual for Navy as the Mideast whopped Pitt. Don Unverferth came off the bench to lead Ohio State to its victory over Wisconsin. So did Bill Humenuk for Harvard as the Crimson ended Dartmouth's streak, which had been the longest for a major team.

Games involving the top ten teams this week find Texas at Southern Methodist, Wisconsin at Michigan State, Syracuse at Pitt, Purdue at Illinois, Mississippi State at Louisiana State, Mississippi State at Alabama, Colorado at Oklahoma, Florida at Auburn, Northwestern at Michigan and Navy at Notre Dame.

Emmitsburg OFFICER LAW BACK ON DUTY

W. E. Law returned to duty Friday as police officer at Emmitsburg after an absence of two months.

Officer Law resigned the position on August 26 after some "differences" between himself and town officials. Mayor Ralph F. Irelan reappointed Law last week and his appointment has been confirmed by the town council.

with part-time police protection for the last two months. In the meantime the council has hired a "metermaid" to police the parking meters and direct traffic at the Emmitsburg schools.

Mayor Irelan said it was the intention of the council to retain the services of the metermaid in addition to Officer Law and uniforms have been ordered for her. Commissioner J. Norman Flax said the Vigilant Hose Co. has asked the council to seek the cooperation of the local citizenry concerning the burning of leaves, trash, etc. Due to the extreme dryness caused by the summer drought, the firemen caution that burning of trash represents a distinct hazard to property as well as human life. Absolutely nothing is to be burned with the corporate limits, council ruled last week.

In addition the ban on sprinkling and car washing continues until such times as sufficient rain falls to insure a plentiful supply of water. Rainbow Lake, the main source of the town's supply, has dropped three feet in recent weeks and the ban was placed in effect to conserve remaining quantities in the reservoir.

Mayor Irelan said that signs of activity were evident at the natural gas line terminal north of Greenmount and it is believed that the actual installation of the new line to Emmitsburg will begin in the near future. Representatives of the gas company will meet with town officials today.

MORE OF AGING ARE INSURED

PHILADELPHIA (AP) — The president of the Health Insurance Association of America said Monday that some 10.3 million aged persons had private health insurance at the close of 1962 — more than double the number 10 years ago.

In remarks prepared for the annual association forum, president J. C. Higdon said that 60 per cent of persons insured at the end of last year were 65 or older. He said the findings were based on a survey by the association, which has more than 300 member insurance companies, and on figures announced recently by the Blue Cross Association.

"Of the 10.3 million aged now covered, slightly over 6 million are protected by insurance companies," said Higdon. "This 6 million total for the end of 1962 represents an increase of 1.25 million over the number covered by insurance companies 18 months earlier, in July 1961."

TODAY In History

Today's highlight in history: On this date in 1886, the Statue of Liberty was unveiled at ceremonies on Bedloe's Island—now Liberty Island—in New York harbor. President Grover Cleveland and the sculptor who created the statue—Auguste Bartholdi—were among the notables present. The statue was a gift to America from the people of France.

RESTAURANT BURNS

PHILADELPHIA (AP) — Authorities were investigating today a fire which destroyed the Black Angus, a widely known Main Line restaurant in suburban Wynnwood. Two firemen were overcome by smoke fighting the fire Sunday. They were treated at Lankenau Hospital. Stanley Schwartz, a co-owner of the restaurant, said if it turns out a total loss, the sum would be around \$100,000.

Seventy-one fouls were called when Kentucky and Auburn played a basketball game in 1954.
